

ELECTRIC SCISSORS

UP TO 46' WORKING HEIGHT

COMPACT HY-BRID

- Deck Height ONLY 25.4" Stowed
- 30" Wide
- 670lb Capacity

Dwight Cranes' electric scissor lifts are a safe efficient way to reach overhead construction, and grid access.

Units are available for working heights of up to 46' and widths as narrow as 30". Also capacities of up to 1000lbs. Most Scissors have a retracted height low enough to pass through standard doorways. All Electric Scissors are equipped with a 3' roll out extension deck.
